No: RT/2023/166

Dated: 27-02-2023

Subject: e.bid for the procurement of "Machinery & Equipments" regarding amendment in Technical Specifications.

Madam,

This is in response to letter no. PS/GM (Adm.)/JKMSCL/8892-96 dated: 21-02-2023, I may reply as follows. : —

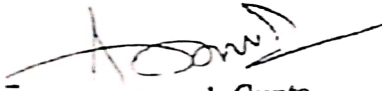

The amendment request in the tender technical & commercial term for Procurement of Machinery & Equipments_ NIT/JKMSCL/M&E/2022/548 for CT simulator has been requested by Messer Philips.

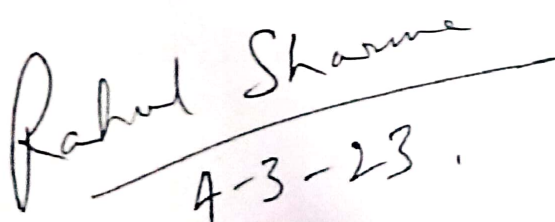

They have suggested that in point F. Scan Specification was, extended FOV has been mentioned in our document as FOV>80 cm or more . They have suggested that FOV should be ≥ 70 cm or more.

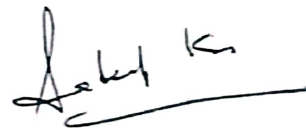

I agree with the amendment suggested by Messer Philips as it will result in wider participation. Hence, the same may be done in the already submitted tender document.

Thanking You

Yours Sincerely

Dr. Ashutosh Gupta
Professor & Head
