Ltd., Telangana) has submitted one criteria of eligibility i.e. experience in Operations and Management of at least 400 BLS Ambulances and at least 100 ALS Ambulances for sole bidder itself whereas other criteria of the eligibility i.e. ambulances supported by at least 40 seats call center support is fulfilled by the experience submitted by the other bidder of the consortium i.e. M/s Akshara Enterprises India Pvt. Ltd. Hyderabad though, which is not as per the criteria for eligibility in case of consortium in the concerned tender. Clarification was asked from the bidder in this regard by the evaluation committee through minor infirmities. Subsequently, bidder has clarified that the same members applied for the tender floated by NTR Vaidya Sewa Trust, Andhra Pradesh but as two separate tenders were floated by the government of Andhra Pradesh for ambulances and call Centre, the firms were not able to form consortium in the submitted documents for experience but both the firms worked in collaboration for the execution of both tenders and has applied in the NIT of 660 of JKMSCL, in consortium as required by the condition of said tender.</p> <p>Recommendations :</p> <p>It was decided that the bidders should be given opportunity for the next stage of tendering to have healthy and transparent competition in the floated tender as the firms are fulfilling the criteria set for eligibility even for the sole bidder despite participating through consortium</p> |
